(a) The agreement and any dispute or claim arising out of it or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by, and construed in accordance with the laws of England. The parties irrevocably agree that the courts of England shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with the Contract or its subject matter or formation (including non-contractual disputes or claims). However, for clarity, this clause shall not restrict the right of either party to bring an action for injunctive relief in any court of competent jurisdiction.

(b) If any Court or competent authority finds that any provision of these ST&C (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected. If any invalid, unenforceable or illegal provision of these ST&C would be valid, enforceable or legal if some part of it were deleted the provisions shall apply with the minimum modification necessary to make it legal, valid and enforceable.

(c) If one party gives notice to the other of the possibility that the provision or part provision of the Contract terms is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable and to the greatest extent possible achieves the intended commercial result of the original provision.

(d) These ST&C shall govern the provision of the services by ApconiX to the exclusion of any other terms and conditions. A person who is not a party to the agreement shall not have any rights under or in connection with it. A waiver of any right or remedy under the Contract is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. Failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall not constitute a waiver of that or any other right or remedy nor shall it preclude or restrict any further exercise of that or any other right or remedy.

(e) Any notice given by either party hereunder shall be in writing and delivered personally or by registered or certified mail to the address shown above.

(f) (i) Any agreement and any documents referred to in the agreement constitute the entire agreement between the parties and supersede and extinguish all previous drafts, arrangements, understandings, discussions or representations whether written or oral in relation to the subject matter of the agreement.

(ii) Each party acknowledges that it does not rely on (and shall have no remedy in respect of) any matters referred to in Clause 10(f) (i) above.

(iii) Clause 10(f) (ii) will not apply if there has been fraud or deliberate

misrepresentation by either party.

(g) On termination of Contract for any reason:

(i) The Customer shall pay to ApconiX all of ApconiX's outstanding unpaid invoices and interest and in respect of services supplied for which no invoice has yet been submitted. ApconiX shall submit an invoice which shall be payable by The Customer in accordance with the payment terms thereof without any right of set off or counterclaim.

(ii) The Customer shall have no right of set off or counterclaim against any outstanding invoice submitted by ApconiX.

(h) Waiver:

Any waiver of any right under the agreement is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor prevent or restrict its further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

12. **Signatures and Completion:**

(a) The agreement may be executed in any number of counterparts, including issuance of a Purchase Order only or formal contract, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement.

(b) Transmission of a Purchase Order number or any executed signature page of a counterpart of this agreement by (a) fax or (b) email (in PDF, JPEG or other agreed format) shall take effect as delivery of an executed counterpart of this agreement.
